

**FOR: INDUSTRIAL,
INSTITUTIONAL &
COMMERCIAL USE**

Air With Care, L.L.C.
Quality Beyond Expectation

**ODOR CONTROL
SYSTEMS & SERVICE
SINCE 1983**

Airfactor #4

DIRECTIONS FOR USE:

For large areas the product may be diluted and delivered through our *direct spray or fogging systems*. For indoor odor control in buildings, we recommend that the product be dispensed into the air handling system through the Air With Care evaporator unit.

DESCRIPTION:

Airfactor #4 is a scientifically formulated, non-toxic odor counteractant, not a perfume or masking agent. It neutralizes odors in the commercial, institutional and industrial environment - wherever odors create a problem. As forest foliage does naturally, it restores air to its natural outdoor freshness.

SAFETY PRECAUTIONS:

Airfactor #4 is non-toxic and non-flammable. As with all chemicals, the product should be kept out of the reach of children. Use only as directed.

PRODUCT PROPERTIES: Proprietary Formula

MANUFACTURED IN THE U.S.A.

Air With Care, L.L.C. (512) 848-2592
6425 S. IH-35 Suite 105 -160 Austin, Tx. 78744

ITEM NO.
4001 - 4X1 GAL. (3.78 Literes) 4005 - 5 GAL. (18.92 Liters) 4055 - 55 GAL. (208.18 Liters)
